

## CONTINUING EDUCATION: VETERINARY TECHNOLOGIST/TECHNICIAN

### Overview

Earn continuing education (CE) credits from the following organizations with correspondence courses.

- Alberta Veterinary Medical Association (ABVMA)
- British Columbia Veterinary Technologists Association (BCVTA)
- Ontario Association of Veterinary Technicians (OVAT)

Participants are mailed the complete study package that includes: course manual, quizzes and the quiz answer sheet. Once you have completed all the quizzes, submit your quiz answer sheet for scoring using the reply envelope included in the package. You will be notified of your score and if you are successful, a 'Certificate of Completion' will be mailed to you.

### Courses and CE Credits

COURSE DESCRIPTION	CONTINUING EDUCATION CREDITS		
	ONVTA	ABVTA	BCVTA
<b>Pharmacology</b> This course will help students gain understanding of the various drugs available in veterinary medicine, how they work, and their use.	5	30	10
